Items Required for Entry:

Have parents take all family members temperatures before leaving for camp. If you or a family member temperature is over 100.4, then we ask that your family stays at home.

At Arrival:

As the family arrives at camp, a volunteer staff member will meet the vehicle(s) on the road into camp and ask if all members of the family have their **COMPLETED BWC Health Screener** AND Liability Waivers that all members of the family passed the *BWC Health Screener*.

If “yes” then the vehicle(s) will be directed to a parking spot in the parking lot.

If “no” because someone has not completed all the paperwork, then the vehicle(s) will be directed to a different spot in the parking lot and will be supplied the necessary paperwork.

A volunteer staff member will meet the vehicle(s) at the Double Arrows Parking Area. **UNTIL DIRECTED TO DO SO, DO NOT EXIT THE VEHICLE(S)**. Vehicle(s) should remain running with AC on and windows rolled up until directed to exit the vehicle(s).

The assigned volunteer staff member will ask all the participants to leave the vehicle one at a time. During this exit a touchless temperature will be taken on all participants. This temperature will be logged onto the *BWC Health Screeners*

If all members of the family have a non-elevated temperature, then they can proceed to camp office to finalize check-in.

If any member of the family has an elevated temperature, then there is only one option:

Only Option – The family should leave camp.
